# DAN DRYER TAPS

# THREE IN A ROW

## SOAP, WATER AND AIR

TAPS is a product line consisting of sensor-operated high-speed hand dryers, soap dispensers and water faucets in an elegant slim design.

Wash and dry your hands without moving from the sink, thus eliminating water dripping on the floor !

The product design stands out thanks to its practical, hygienic and space-saving features. The products are hidden below deck or behind the wall with only the spout affixed to the wash basin/wall.

The products are visually appealing and can be installed separately or as a complete family.

A solution that works for a modern look and frees up more wall space in commercial washrooms; ideal for architects and construction projects to integrate at the very beginning of the design thinking phase.

TAPS ARE AVAILABLE IN

BLACK PVD

STAINLESS STEEL

# DECK-MOUNTED TAPS

## AIRTAP

A powerful hand dryer suitable for high traffic washrooms. With its elegant slim design, the hand dryer is the perfect choice for toilet facilities with a build-in cabin solution.

The intelligent temperature control technology detects the room temperature and adjusts the heating element.

### Technical specifications

- Drying cycle of 10-15 sec.
- Stainless steel
- Spout: H: 6.69" x W: 1.96" x D: 8.66"
- Dimensions motor: H: 7.99" x W: 12.04" x D: 5.90"
- Tube length: 11.81"-12.59"
- Power connection: 110 V, 50/60 Hz, Class I
- Net weight: 13.22 lb

## SOAP TAP

A soap dispenser with automatic sensor for touch-free operation. The dispenser can hold either liquid soap or foam soap.

It is made in stainless steel with satin finish, which makes it easy to clean. In addition, it requires very little maintenance.

### Technical specifications

- Holds 0.39 gal liquid soap (=1,000-1,500 doses) or foam soap (=1,875-2,500 doses)
- Stainless steel
- Spout: H 6.69" x  $\varnothing$ 1.96"/ $\varnothing$ 1.49" x D 8.66"
- Pump incl. tank: W: 4.25" x D: 5.11" x H: 12.20"
- Tube length: max. 9.84"
- Power connection: AC adapter (6Vdc)
- Net weight: 4.18 lb

## WATER TAP

WaterTap with automatic sensor for touch-free operation. An ideal build-in solution for automatic hand wash stations.

The water tap features a minimalist, modern design in stainless steel with satin finish. It is easy to operate and to clean.

### Technical specifications

- Activation distance adjustable between 0.78"-4.72"
- Stainless steel
- Spout:  $\varnothing$ 1.96/ $\varnothing$ 1.49 x 8.66"
- Power connection: AC adapter (6Vdc)
- Net weight: 3.74 lb
- CE and WRAS approved
