

COLUMN FOR BATTERIES

3196/3197/3198

IR-sensor
Capacity 5 L
Battery-operated
2-year warranty

COLUMN is a large capacity, sturdy disinfectant stand. The size of the column makes it ideal for lobbies and entryways as well as high-traffic public areas such as shopping centres, train stations, and hospitals. The demand for hand sanitiser will be here for the long term and this elegant column embodies aesthetic design, and high performance and meets the heightened expectations from customers and employees.
