

BJÖRK centrefeed paper towel dispenser

3270/3275/3280

For centre pull paper towels
One-handed operated
2-year warranty

DAN DRYER BJÖRK lockable centre pull paper towel dispenser in a contemporary design. Can be equipped with top plate (available in six different colours).

Application

The DAN DRYER BJÖRK centrefeed paper towel dispenser is perfect for use in high-traffic commercial washrooms and catering areas. The design ensures easy refilling and use, and it enables an easy, one-handed operation and controlled consumption of paper. The ideal solution for professional environments where both hand and surface wiping are required.

References

Commercial and professional areas, e.g. public washrooms, canteens, kitchens, catering centres, workshops and production facilities.
