

# SPARE PARTS LIST

## COLUMN 3192-3194

| Pos. no. | Art. No. | Spare part                                      |
|----------|----------|---|
| 1        | 51753    | Faucet, complete                                |
| 2        | 51710    | End piece                                       |
| 3        | 51712    | Silicone ring                                   |
| 4        | 51714    | Holder for LED printed circuit board and sensor |
| 5        | 51716    | Rubber gasket (top)                             |
| 6        | 51718    | Rubber gasket (bottom)                          |
| 7        | 51720    | Nylon disc                                      |
| 8        | 51722    | Nut   |
| 10       | 51654    | Nozzle for disinfectant                         |
| 11       | 51653    | Hose 700mm                                      |
| 12       | 51754    | Control box (for adapter)                       |
| 13       | 51752    | Pump and hose                                   |
| 14       | 10888    | AC/DC adapter EU                                |
|          | 10889    | AC/DC adapter US                                |
|          | 10894    | AC/DC adapter UK                                |
|          | 10896    | AC/DC adapter AUS                               |
| 16       | 28208    | Complete lock (silver)                          |
|          | 28209    | Complete lock (black)                           |
|          | 28202    | Square key, black polyamide                     |
| 21       | 31907    | Drip tray                                       |
| 22       | 31920    | Clip  |

NB: Please note, the position numbers in the above spare parts list refer to the numbers listed in the component overview in the installation manual.
