Application

Hygienic and durable paper dispenser, suitable for all types of commercial restrooms where an integrated solution is needed. The design is developed for use in public toilets that require an almost maintenance-free product and where the equipment must withstand frequent and often rough use.

References

Customised solution designed for use behind mirrors or in cabinets. Suitable for offices and administration, shopping centers, restaurants, hotels, airports, sports facilities and swimming pools, schools, public institutions, and cultural centers.

Installation

Wall mounting – behind mirror or in cabinet.
